# Help Wanted – Assistant IT Manager

September 19, 2023

The Wabash Valley Amateur Radio Association is looking for a member to volunteer as an Assistant IT Manager.  This individual will serve as a backup to the IT Manager and will be responsible for assisting the IT Manager in maintaining the WVARA website, membership & inventory database, e-mail accounts, & the e-mail discussion (Google) group.

The Assistant Webmaster must be a member of the WVARA and should be familiar with coding in HTML, PHP, & Java Script.

The WVARA website is developed and maintained using *Microsoft Expressions Web 4*, which is a free application.  It includes a WYSIWYG editor as well as the ability to edit the raw code.  A copy of this application will be provided.

Interested members should contact the WVARA IT Manager via e-mail at webmaster@w9uuu.org, or by phone at (812)236-6522.

73, Ray, K9DUR
